Gallery Block

A photographic lustre print, mounted on a box with a satin laminate for added protection.

The style of a classic canvas with amazing printed clarity.

Tray Framed

Taking the frameless pro mount which floats off the wall and placing it inside a beautiful wooden tray frame.

Also available in black and white with a matt or gloss finish on the print.

Cambridge Frame

With the two-tone finish and a choice of rich metallic colour tones, this frame adds glamour to your images.

Matching desk frame available.

Oxford Frame

A timeless frame featuring a two-tone border.
With a soft, matt finish and a subtle wood effect.
Matching desk frame available.

Heritage Frame

This popular wooden frame is elegant and timeless.
Available in 5 subtle colours and features a deep recess.
Matching desk frame available.

Naturals Frame

A slim contoured wooden frame featuring intricate line detailing. This frame is perfect for a more rustic style. Matching desk frame available.

Sanctuary Frame

This classic wooden frame adds a timeless elegance to any photograph. As with many of the other frames, different mounting and multiple aperture options are available.

Acrylic Display

For a show stopping display, the Acrylic exhibits your images like no other wall product.

Your photograph is nestled between acrylic and a slim aluminium panel creating a striking high definition image.

Folio Box

A beautiful way to store & display your favourite mounted prints, whilst being able to change which one you want to see. Available in various colours, the box comes in 2 sizes to hold 8x6" or 12x8" prints.

A false bottom can be included if you would like to get a bigger box with room for more prints in the future.

Album

Your album is carefully designed with a selection of your favourite images from your photo session.

The album is hand made in Italy, presented in a matching display box and is available in various leatherette colours.
